

## Mandurah Performing Art Centre Recorded Music

### MUSIC TEACHERS PLEASE NOTE THE FOLLOWING

1. All recorded music used at WAGSMS must be a non-original artist version (i.e. backing track).
2. Backing music must be in MP3 format on a USB.
3. The USB must only have the music tracks your item will use. No lyrics are to be used.
2. If two songs are needed they must be in the correct sequence on the USB.
3. Commercial tapes or CD's cannot be used as the venue does not have the facility to play them.
4. If you are using USB music it must be handed in to the sound technician at rehearsal. It will be copied and returned to you straight away.

**WAGSMS and MANPAC will not be responsible for sending out any USB's not collected after the concert**
